Welcome to La Madrona's Winter Junior Tennis Program! This is a great opportunity to improve upon the tennis your kids have learned from the summer and fall. We are pleased to offer this **12-week** session to all abilities of junior tennis players, ages 4-17. For beginning students, this is a great intro to the "sport of a lifetime". For advanced juniors, we offer daily conditioning, practice matches and tournament preparation. Students may choose to take clinics once, twice, or up to five times-a-week. Specific days of the week may be "floated" to accommodate busy schedules. The more they come, the better they'll become. **Sign up early!**

Class size will be limited to 6 students per instructor, up to 3 courts. Classes may be wait-listed if there are too many sign-ups, and cancelled or combined if there are too few. **There is a family discount** of 10% off the total for second/+ siblings, while **non-members of La Madrona must pay an additional 20% fee** (printed below member's prices) **and sign a guest waiver**. We will be flexible in allowing for schedule changes in the first two weeks. Payment and registration must be made on (or before) the first day of class. Students may join after the session has started if space is available; fees will be pro-rated. Please make checks payable to Mindset & Match. In rainy weather, classes will be cancelled and may be made up any day/s within the session. However, if a class begins on dry courts and rain ensues, the class will continue inside. Please call the club or check the webcam on-line at www.lamadronaclub.com to verify weather conditions. **Sign up in person at La Madrona or call (831) 438-1072 to reserve your space.**
